As Ethnic Studies by nature is an inter- and multidisciplinary field of study, students majoring in Ethnic Studies have the unique advantage of benefiting from courses offered not only by the Ethnic Studies Department but also by many others in the university. Numerous Ethnic Studies-related course offered by other departments can be used to fulfill the BA requirements in Comparative Ethnic Studies with the permission of the Ethnic Studies Department. While the majority of elective courses will be available through departments and programs in the College of Liberal Arts, students are encouraged to consider Ethnic-Studies related courses in other colleges as well.
