Proposed Senior Project

Please provide a short summary of your intended project.

Senior Project Stated Goals

Please detail how your Senior Project will address each of the following goals as established by the Theatre Program as part of our Programatic Mission and Assessment.

- 1) **Students will develop knowledge of theatrical history and dramatic literature**
- 2) **Students will acquire skills in script analysis**
- 3) **Students will develop a theoretical foundation to production and performance**
- 4) **Students will acquire knowledge in a variety of theatrical skills, applying this knowledge in practical terms**
- 5) **Students will develop values and ethics that encourage an environment in which theatrical activity can flourish**
- 6) **Students will develop written proficiency in a wide variety of assignments**

Senior Project Outline

Please provide a clear outline/table of contents that details what the written portion of your Senior Project will contain.

Please be sure to attach all necessary documentation as well as support materials with this front sheet. Once your project is approved, your advisor will then provide you with the permission number to enroll in TH460 Senior Project for four (4) units. Be aware, if you do not complete your Senior Project by the stated due date, an appropriate letter grade will be assigned. An Incomplete (I) grade is not an option.
