

MLL 400 (Independent Study)
(to be filed with MLL Chair before the end of the add/drop period)

Name

Student ID

Units

Primary Academic Program

Who will evaluate the student's learning?

What is student going to study? Include area of knowledge and skills student is expected to gain.

What is the student going to do? Include schedule of meetings with instructor, readings, workshops/seminars student will attend, as well as schedule of assignments s/he will complete or other means s/he will demonstrate her/his learning.

On what will the evaluation be based? Include grade breakdown.

I have met with the instructor to discuss the requirements for this independent study and agree to complete the work, as outlined above by the end of this quarter.
