

Documentation Examples

In the text of a document, use short citations as follows:

Experts agree that pill bugs taste awful (Jones, 2001).

According to a study by Bill Clinton, youth psychologist, 75% of all women under twenty-five wish they had boyfriends twice their age. In addition, young women prefer men with silver hair and large white domiciles (1999).

In *Frogs Are Our Friends*, Angela Mosquito says, “You should not let their warts discourage you” (Mosca, 2000).

At the end of a document, collect all of your full citations:
