Preparing now!

DID YOU KNOW?

Summer 2026 will be shorter than usual, but we will still have summer classes for you to take.

GE requirements are changing with the new 26-28 Semester Catalog.

Cal Poly Semesters will be 15 weeks (including finals)!

Semester courses will have **4-digit Numbers** (i.e., UNIV 4401 instead of UNIV 401)

Students must be on the same catalog for their major, minor, and GE courses.

THE 2026-28 CATALOG IS PUBLISHED
