

No hitting the snooze button!

SEMESTERS ARE COMING

First Day of Fall courses:

August 24, 2026

2026-28 Catalog:

DID YOU KNOW?

Summer 2026 will be shorter than usual, but we will still have summer classes for you to take.

GE requirements are changing with the new 26-28 Semester Catalog.

Cal Poly Semesters will be **15 weeks** (including finals)!

Semester courses will have **4-digit Numbers** (i.e., UNIV 4401 instead of UNIV 401)

Students must be on the same catalog for their major, minor, and GE courses.

2026-28 CATALOG

now available

A **catalog** is the official list of degree requirements and policies.

Even if you are not using the 2026-28 catalog for your major, the policies apply to you.

Learn more about the new catalog here.
